Dear Jeffrey,

We are pleased to support the Osage Prairie YMCA Childcare Wing project, an expansion of the YMCA facility in Nevada, MO. This project will provide much-needed childcare services space, family amenities, and expanded community programming.

Since 1996, the Osage Prairie YMCA has been a vital community partner- building healthy, confident, and connected kids, adults, and families. Every day, the impact is felt when an individual makes a healthy choice, when a child is inspired to learn, and when our community comes together for the common good.

We are enthusiastic about Osage Prairie's Nevada project and its potential to make an even greater impact on the community, addressing the needs of children, families, and the community. In consideration of the significant positive impact that the Childcare Wing will have on our community, we are advocating for Osage Prairie YMCA as they seek funding opportunities through the Missouri Department of Economic Development's Youth Opportunities Program.

We are confident that investing in the Osage Prairie YMCA's expansion project is a wise decision that will yield lasting benefits for the youth of Nevada and Vernon County. The Childcare Wing will not only meet the current needs of our residents but also contribute to the long-term health, development, safety, and well-being of our community. If you should need any further information, please feel free to contact me at (417) 448-5102.

Sincerely,
