AGENDA ITEM
February 6, 2024

Subject: 10 Wheel Dump Truck Bed

Department: Public Works

On March 21, 2023. City Council approved Resolution 1700 for the purchase of a 2024 Freightliner M2 106 Tandem Axle Dump Truck with 15 ft Dump Bed for a not to exceed amount of \$150,000.00.

The approved bid included a 15 ft Gravel Star Dump bed by Crown Beds Inc., West Plains Missouri. This company is no longer in business so new bids were solicited for a 15' Dump Bed and a Snowplow with attachments.

Bus Andrews- 15 ft. bed w/ snowplow	\$48,450.00
HilBilt- 15 ft. bed- snowplow NOT included	\$41,849.00
American Equipment- w/snowplow	\$57,057.00

Manager Notes:

- **Recommendation to accept the bid with Bus Andrews in the amount of \$48,450.00.** This bid includes a snowplow with attachments.
- Although HilBilt is the apparent low bidder, we have had quality issues with the HilBilt beds on our other dump trucks as well as the bid didn't include a snowplow and attachments as stated in the bid documents.
- The approved 2024 includes \$150,000.00 from the Water and Sewer fund. With the cost increase the total for the truck & bed is \$156,450.00.
- The overage of \$6,450.00 will come from a reduction of the \$150,000.00 Industrial Park water line project (500-5-4401-429). The City Charter section 6.8 allows for the City Manager to reappropriate funds within a department.

RE: Budget Transfer of Appropriations

Dear Mayor and City Council,

As stated in Section 6.8 of the City Charter I am reappropriating \$6,540.00 from budget line item 500-5-4401-427. The Water Industrial water line project budget of \$150,000.00 will be reduced to \$143,550.00.

The \$6,540.00 will be moved to line item 500-5-4401-315 to cover the increased amount for a 15' Dump bed and snowplow on the 2024 Freightliner M2 106 Tandem Axle Dump Truck.

Sincerely,

Mark Mitchell

Mark Mitchell, City Manager#
