**AGENDA ITEM

Subject: Storm Tube Replacement

Department: Public Works

Bids were solicited for the purchase of storm tube

Winwater-Springfield MO	\$21,011.54
Core & Main	\$24,593.95
Stewart Concrete	\$41,410.00

Department Notes:

We need to replace the storm tube at 541 S. Oak. As the picture shows, the bottom is rotted out allowing dirt to be washed out in a citizens yard. Three to four months ago, an Asplundh truck was trimming trees and actually fell into a sinkhole caused by this storm tube deterioration. This has been an ongoing issue that needs to be resolved before someone gets hurt.
