Subject: Trash Receptacles and Park Benches

Department: Parks

Three quotes were received:

Global Industrial	\$9,090.04
Tree Top Products	\$12,870.81
Kirby Built	\$16,013.38

Department Notes: This is for the purchase of 8 trash receptacles and 8 benches to put around the square. Many business owners have been requesting trash receptacles around the square to deter people from throwing their trash on the ground. The purchase of 8- 6 foot park benches will give shoppers and people visiting the square a place to sit. These items will help to improve the visual appearance and give an inviting feeling to our downtown square.
