Purchase of 4 used golf carts

Notes: This is to purchase 4 used golf carts for the golf course. We currently have 30 golf carts that were purchased in 2021. All 30 carts are used when it is nice out or when a tournament is held. Some tournaments carts are rented and that is money that the golf course loses if the course had them on hand. Maxim Golf brought down these 4 cart in May to use temporarily at no cost to the City. We would like to add these 4 cart to our fleet permanently.
