GEORGE C. KNOX, MAYOR

AGENDA ITEM
March 4, 2025

Subject: Bunker Gear

Department: Fire Department

Department Notes:

Nevada Fire budgeted 6 sets of bunker gear for \$24,000 in the 2025 budget. This amount will replace half of our staff's current bunker gear.

Nevada Fire would like to go with the bid from Macqueen Company for the Globe Gear totaling \$24,313.80. There are some big differences in price with some of the other bids but that is due to quality. Globe gear has led the standard in heat protection and durability of fire gear. Globe gear has held up best for Nevada Fire in the past with our high call volume and use of it.

Nevada Fire has some gear that will be trading into Macqueen Company that will offset that \$312 overage with Macqueen's buy back program.

Macqueen Company	\$24,313.80
Dinges Fire Company	\$21,414.00
Leo M. Ellecracht Company	\$19,464.48
