Subject: Flooring Replacement
Department: Fire Department

Department Notes:

Nevada Fire was allocated \$12,000 in the 2025 budget to replace the flooring in the living quarters. The current flooring is original from when the building was built in 2015. The flooring we currently have holds dirt, hard to clean and isn't a good look for the public. The new flooring has an epoxy polyurea/polyaspartic anti-microbial coating. This new flooring will last for years and has a lifetime warranty.

Arrowhead Coatings out of Springfield, MO quote came in under budget at \$11,400.
