Department Notes:

Nevada Fire was approved for \$110,000 in the 2025 budget for a new brush truck. The current brush truck is a 2008 Ford and has body and mechanical issues. Nevada Fire has elected to buy the truck parts piece by piece and have the firefighters build it to stretch the allocated budget money further.

Cowin Ford Republic is the cheapest quote at \$51,053 for a new 2025 F-350. They have great customer service and are very knowledgeable about vehicle specifications. The approx build time is 90 days, payment is due 30 days after delivery.
