

**RESOLUTION NO. 1865**

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO PROCEED WITH THE PURCHASE OF STORM WARNING SIRENS FOR THE CITY OF NEVADA, MISSOURI**

**WHEREAS**, the City of Nevada, Missouri, recognizes the importance of public safety and the need for an effective storm warning system to alert residents in the event of severe weather; and

**WHEREAS**, the City's existing storm sirens are outdated, can no longer be repaired, and several units are currently non-operational, leaving portions of the community vulnerable during severe weather events; and

**WHEREAS**, funds for the purchase of storm sirens have been identified and total \$257,745.13.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Nevada, Missouri, that the City Manager is hereby authorized to take all necessary actions to move forward with the purchase and installation of storm warning sirens, in accordance with applicable procurement policies and procedures.

**PASSED, APPROVED, AND ADOPTED** this 3<sup>rd</sup> day of June, 2025.

Prices are firm for 90 days from the date of quotation unless shown otherwise. Upon acceptance, prices are firm for 6 months. This quotation is expressly subject to acceptance by Buyer of all Terms stated in the attached Terms document, and any exception to or modification of such Terms shall not be binding on Seller unless expressly accepted in writing by an authorized agent or Officer of Seller. Any order submitted to Seller on the basis set forth above, in whole or in part, shall constitute an acceptance by Buyer of the Terms. Any such order shall be subject to acceptance by Seller in its discretion. If the total price for the items set forth above exceeds \$50,000 then this quotation IS ONLY VALID if countersigned below by a Regional Manager of the Safety & Security Systems Group, Federal Signal Corporation. Installation is not included unless specifically quoted as a line item above. See attached Terms sheet.

**Site Restoration** is not included in this quote unless specifically called out above. As the site has typically not been determined at the time of quoting we cannot forecast what landscaping, seeding or backfilling will be required to restore a site. It is recommended to keep sites within 15' of a paved surface so as to avoid damage to landscaping at the time of installation and for future service.

**Adverse Site Conditions**, including rock, caving soil conditions, contaminated soil, poor site access availability, and other circumstances which result in more than 2 hours to install a pole, will result in a \$385.00 per hour fee, plus equipment.

**Power Clause:** Bringing power to the siren equipment is the responsibility of the purchaser. Trenching is additional.
