Chapter 26 section 26-18 Procurement in exceptional emergency or extraordinary circumstances, gives the City Manager purchasing authority over \$15,000 if the purchase is a public necessity of health or safety.

Department Notes:

- Emergency approval for 2 HVAC units needed for the Frank E. Norman Community Center. 1 of the HVAC units for the north big gym broke down and could not be fixed. While waiting for bids for the one unit, the second HVAC unit that is also used to heat and cool the big gym went down. That unit was unable to be repaired as well.
- The Community Center is a warming center for the community, and with the biggest part of the facility without heat, it does affect the whole building.
- Parks and Recreation Director Richard Brockman approached City Manager Gary Edwards and he authorized the purchase.
