Subject: 2026 Rock Bids

Department: Public Works

We anticipate the need for approximately 10,200 tons of aggregate rock of various sizes for the Public Works Department in 2026. We are requesting Council approval for a blanket "not-to-exceed" purchase order for this material.

Although Clear Creek Services, LLC currently offers a lower unit price, staff recommends using Holliday Sand and Stone. Clear Creek requires four days' notice for delivery and does not guarantee pricing, as costs may increase if the quarry raises its prices. In contrast, Holliday Sand and Stone will honor its pricing for the full year and utilize Decker Trucking, allowing for same-day or next-morning delivery. This ensures timely access to materials without extended delays.

This will be a blanket purchase order for a "not-to-exceed" amount of \$224,300.
