August 1, 2019

Members of the City Council
Honorable George Knox, Mayor
Mr. J.D. Kehrman, City Manager
Ms. Kristie Modlin, City Treasurer
City of Nevada, Missouri
110 South Ash Street
Nevada, Missouri 64772

We are pleased to confirm the arrangements of our engagement and the nature of the services we will provide to the City of Nevada, Missouri.

ENGAGEMENT OBJECTIVES AND SCOPE

We will audit the basic financial statements of the City of Nevada, Missouri as of and for the year ending December 31, 2019, and the related notes to the basic financial statements.

Our audit will be conducted with the objectives of:

- ✓ Expressing an opinion on the financial statements.
- ✓ Issuing a report on your compliance based on the audit of your financial statements.
- ✓ Issuing a report on your internal control over financial reporting based on the audit of your financial statements.

OUR RESPONSIBILITIES

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit. Also, in the future, procedures could become inadequate because of changes in conditions or deterioration in design or operation. Two or more people may also circumvent controls, or management may override the system.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate letter to be signed by you and BKD.

Jacob Holman, director, is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report upon completion of our audit of the City of Nevada, Missouri's financial statements. Our report will be addressed to the City Council of the City of Nevada, Missouri. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis of matter or other matter paragraph(s) or withdraw from the engagement. If we discover conditions that may prohibit us from issuing a standard report, we will notify you as well. In such circumstances, further arrangements may be necessary to continue our engagement.

We will also express an opinion on whether supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

YOUR RESPONSIBILITIES

Our audit will be conducted on the basis that management and, where appropriate, management and those charged with governance acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
2. For the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
3. For identifying and ensuring compliance with the laws, regulations, contracts and grants applicable to your activities; and
4. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that we may request from management for the purpose of the audit; and

- c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from management or, where appropriate, management and those charged with governance written confirmation acknowledging certain responsibilities outlined in this engagement letter and confirming:

- The availability of this information
- Certain representations made during the audit for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

The results of our tests of compliance and internal control over financial reporting performed in connection with our audit of the financial statements may not fully meet the reasonable needs of report users. Management is responsible for obtaining audits, examinations, agreed-upon procedures or other engagements that satisfy relevant legal, regulatory or contractual requirements or fully meet other reasonable user needs.

With regard to supplementary information:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

OTHER SERVICES

We will provide you with the following nonattest services:

- Preparing a draft of the financial statements and related notes including binding and printing
- Converting the governmental fund financial statements to the governmental activities

In addition, we may perform other services for you not covered by this engagement letter. You agree to assume full responsibility for the substantive outcomes of the services described above and for any other services that we may provide, including any findings that may result. You also acknowledge that those services are adequate for your purposes and that you will establish and monitor the performance of those services to ensure that they meet management's objectives. Any and all decisions involving management responsibilities related to those services will be made by you, and you accept full responsibility for such decisions. We understand that you will designate a management-level individual to be responsible and accountable for overseeing the performance of those services, and that you will have determined this individual is qualified to conduct such oversight.

ENGAGEMENT FEES

The fee for our services will be \$32,200. These fees include travel costs and an administrative fee of 4 percent to cover items such as copies, postage and other delivery charges, supplies, technology-related costs such as computer processing, software licensing, research and library databases and similar expense items.

The fees above exclude the additional time and audit procedures required by a Single Audit. These fees, if required, for the time required to audit one major federal program as defined by Uniform Guidance is \$3,500. If additional major programs are identified, we anticipate additional costs to be \$3,000 - \$4,000 per program, depending on the extent of applicable compliance attributes.

Our fees are based upon the understanding that your personnel will be available to provide us the necessary information for our audit. Assistance from your personnel is expected to include:

- Preparing audit schedules to support all significant balance sheet and certain other accounts
- Responding to auditor inquiries
- Preparing confirmation and other letters
- Pulling selected invoices and other documents from files
- Helping to resolve any differences or exceptions noted

We will provide you with a detailed list of assistance and schedules required and the date such assistance and schedules are to be provided before the audit begins. All schedules should be provided in electronic form unless indicated otherwise.

Our pricing for this engagement and our fee structure are based upon the expectation that our invoices will be paid promptly. We will issue progress billings during the course of our engagement, and payment of our invoices is due upon receipt. Interest will be charged on any unpaid balance after 30 days at the rate of 10 percent per annum.

Our engagement fee does not include any time for post-engagement consultation with your personnel or third parties, consent letters and related procedures for the use of our reports in offering documents, inquiries from regulators or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

Our fees may also increase if our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards.

If our invoices for this or any other engagement you may have with BKD are not paid within 30 days, we may suspend or terminate our services for this or any other engagement. In the event our work is suspended or terminated as a result of nonpayment, you agree we will not be responsible for any consequences to you.

IMPLEMENTATION OF FIDUCIARY ACTIVITIES STANDARD

Governmental Accounting Standards Board Statement No. 84, *Fiduciary Activities*, is effective for fiscal years beginning after December 15, 2018, with retrospective application in the year the update is first applied. The Statement is expected to significantly change how entities evaluate and report fiduciary activities.

Assistance and additional time as a result of the adoption is not included within our standard engagement fees. Our fees as a result of the adoption of this new accounting standard will be based on time expended and will vary based on the level of assistance and procedures required. We will need input and assistance from the accounting department throughout the process of implementation.

You agree to assume full responsibility for maintaining your original data and records and that BKD has no responsibility to maintain this information. You agree you will not rely on BKD to provide hosting, electronic security or backup services, *e.g.*, business continuity or disaster recovery services, to you unless separately engaged to do so. You understand that your access to data, records and information from BKD's servers, *i.e.*, BKDconnect, can be terminated at any time and you will not rely on using this to host your data and records.

We will, at our discretion or upon your request, deliver financial or other confidential information to you electronically via email or other mechanism. You recognize and accept the risk involved, particularly in email delivery as the internet is not necessarily a secure medium of communication as messages can be intercepted and read by those determined to do so.

You agree you will not modify these documents for internal use or for distribution to third parties. You also understand that we may on occasion send you documents marked as draft and understand that those are for your review purpose only, should not be distributed in any way and should be destroyed as soon as possible.

This engagement letter represents the entire agreement regarding the services described herein and supersedes all prior negotiations, proposals, representations or agreements, written or oral, regarding these services. It shall be binding on heirs, successors and assigns of you and BKD.

The entity may wish to include our report on these financial statements in an exempt offering document. Any agreement to perform work in connection with an exempt offering document, including providing agreement for the use of the auditor's report in the exempt offering document, will be a separate engagement.

Any exempt offering document issued by the entity with which we are not involved will clearly indicate that we are not involved by including a disclosure such as, "**BKD, LLP**, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. **BKD, LLP**, also has not performed any procedures relating to this offering document."

You agree to notify us if you desire to place these financial statements or our report thereon along with other information, such as a report by management or those charged with governance on operations, financial summaries or highlights, financial ratios, etc., on an electronic site.
