**THIS INDENTURE** is made on the 29<sup>th</sup> day of MARCH, 2017, by and between DG PARTNERS, LLC, a Limited Liability Company, Charter No. LC0985496 organized in the State of Missouri, whose mailing address is 5530 SALT RIVER RD., SAINT PETERS, MO 63376, hereinafter called **GRANTOR** and the City of Nevada, Missouri, of Vernon County, Missouri, a Missouri municipality of the third class organized under a Home Rule Charter, hereafter called **GRANTEE** whose address is City Hall, 110 S. Ash, Nevada, MO 64772,

**WHEREAS, GRANTOR** owns land in or in the vicinity of the City of Nevada, Vernon County, MO, and said land is legally described as follows:

**BLK 23 LT 11, 12, 13 & 14 & ALL OF THE VACATED GALBRAITH ST ON THE E SIDE, PREWITT'S ADDITION.**

**NOW THEREFORE**, in consideration of Five Dollars and Other Good and Valuable Consideration the receipt and adequacy of which is hereby acknowledged, **GRANTOR** does hereby grant, bargain and sell, convey and confirm unto **GRANTEE** and unto its successors and assigns an easement hereafter described with right of ingress and egress thereto over adjacent land of **GRANTOR**. The easement purpose is restricted to use for sewer transmission lines. The easement is explicitly located by **GRANTOR** on the following **easement description**:

*See Exhibit A attached hereto and incorporated herein by reference.*

This instrument permits the **GRANTEE** to use the limited and restricted easement area to construct, operate, inspect, maintain, repair, rebuild, replace, remove and patrol a sewer line and essential appurtenances, customary and necessary in connection therewith, subject to the terms and restrictions set forth in this instrument.

Where access to the easement area from a public roadway is impractical or would visit damage upon the **GRANTOR**, the **GRANTEE** is permitted and licensed irrevocably so long as service is potentially available to the property, to obtain access to the easement area over adjacent lands of the **GRANTOR** by utilizing **GRANTOR**'s gates and the access routes which appear

customarily used or designated by **GRANTOR** for access and egress to the relevant easement description.

Consideration includes the privileges and benefits mutually obtained. The improvement will allow wastewater service to be available and will enhance property value. The **GRANTEE** will make a considerable investment on the easement description. To the extent the value of any rights and interests conveyed might exceed the consideration and benefit flowing to **GRANTOR**, **GRANTOR** waives the right to Just Compensation and an appraisal under the Uniform Relocation Assistance and Real Property Acquisition Policies Act.

**GRANTEE** is obligated to maintain and repair disturbance of the easement description and any ingress and egress routes so no damage will result from the use by **GRANTEE** including disturbance to any adjacent land of the **GRANTOR** or **GRANTOR**'s heirs or assigns. After the initial construction, the **GRANTEE** will pay the **GRANTOR** or **GRANTOR**'s heirs or assigns any damages occasioned by use of the easement description and access routes, or in the alternative, at the **GRANTEE**'s option, will be permitted to repair the same to the condition prior to damage by the **GRANTEE** as is reasonably feasible as promptly as weather, ground condition and scheduling reasonably permit.

**GRANTOR** acknowledges that **GRANTEE** has informed **GRANTOR** as follows:

1. **GRANTOR** has received a copy of the City's Project Easements brochure. The brochure describes the **GRANTOR**'s rights under the Uniform Relocation Assistance and Real Property Acquisitions Act and regulations at 49 CFR, Part 24.
2. The rights described are the right to just compensation for the easement, based on an appraisal or valuation. A valuation is not required if the value is estimated at \$10,000 or less. Where the damage exceeds \$10,000, the right to an appraisal and the right to accompany the appraiser is required. The **GRANTOR** has the right to waive those rights and to donate the easement for this project to the **GRANTEE**.
3. After having been fully informed of the above, to the extent the value of any rights and interests conveyed may exceed the consideration and benefit flowing to **GRANTOR**, **GRANTOR** waives the right to Just Compensation and an appraisal under the Uniform Relocation Assistance and Real Property Acquisition Policies Act and accepts such consideration as is herein expressed for said donation.

This instrument is specifically intended in good faith and fair dealing to meet or exceed all statutory, common law or public policy requirements. Any uncertainty will be resolved to give force and effect to the specific intent of the parties, and both parties waive any statutory, common law, or public policy option to seek vacation of this instrument.

**IN WITNESS WHEREOF**, **GRANTORS** have executed this instrument the day and year first above written.
