### Summary of 2018-2020 Public Outreach Efforts

## G. Language Assistance Plan

### City of Nevada Limited English Proficiency Plan

This limited English Proficiency (LEP) Plan has been prepared to address City of Nevada 's responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964; Federal Transit Administration Circular 4702.1B, dated October 1, 2012, which states that the level and quality of transportation service is provided without regard to race, color, or national origin.

Executive order 13166, titled "Improving Access to Services for Persons with Limited English Proficiency," indicates that differing treatment based upon a person's inability to speak, read, write or understand English is a type of national origin discrimination. It directs each federal agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discriminations do not take place. This order applies to all state and local agencies which receive federal funds.

#### Service Area Description:

City of Nevada provides services to individuals within the corporate city limits of the City of Nevada. No direct fixed routes are run.

City of Nevada has developed this LEP Plan to help identify reasonable steps for providing language assistance to persons with limited English proficiency who wish to access services provided by City of Nevada. As defined in Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, and the ways in which assistance may be provided.

In order to prepare this plan, City of Nevada undertook the **four-factor LEP analysis** which considers the following factors:

#### **Four Factor Analysis**

##### 1. The number and proportion of LEP persons eligible to be served or likely to be encountered in the service area:

A significant majority of people in the City of Nevada service area are proficient in the English language. Based on 2018 5-Year American Community Survey data, 1.8% of the population five

years of age and older speak English “less than very well” – a definition of limited English proficiency.

2. Frequency of Contact by LEP Persons with City of Nevada’s Services:

The City of Nevada staff reviewed the frequency with which office staff, dispatchers and drivers have, or could have, contact with LEP persons. To date, City of Nevada has, on average, [only one or two requests per month] for an interpreter. City of Nevada averages [\_\_\_\_] phone calls per month.

<p><b>LEP Staff Survey Form</b></p> <p>City of Nevada is studying the language assistance needs of its riders so that we can better communicate with them if needed.</p> <ol style="list-style-type: none"> <li>1. What languages do these passengers speak?</li> <li>3. What languages (other than English) do you understand or speak?</li> <li>4. Would you be willing to serve as a translator when needed?</li> </ol>

<b>Frequency</b>	<b>Language Spoken by LEP Persons</b>

Monthly	
Less frequently than monthly	

3. The importance of programs, activities or services provided by City of Nevada to LEP persons:

Outreach activities, summarized in City of Nevada’s Title VI Public Engagement Plan, include events such as public meetings and/or open houses held at schools, churches, libraries and other non-profit locations, and include specific outreach to LEP persons to gain understanding of the needs of the LEP population, and the manner (if at all) needs are addressed.

<p><b>Outside Organization LEP Survey</b></p> <p>Organization: City of Nevada_</p> <ol style="list-style-type: none"> <li>1. What language assistance needs are encountered?</li> <li>2. What languages are spoken by persons with language assistance needs?</li> <li>3. What language assistance efforts are you undertaking to assist persons with language assistance needs?</li> <li>4. When necessary, can we use these services?</li> </ol>
--

4. The resources available to City of Nevada and overall cost to provide LEP assistance:

Strategies for Engaging Individuals with Limited English Proficiency include:

1. Language line. Upon advance notice, translators can be provided.
2. Language identification flashcards.
3. Written translations of vital documents (identified via safe harbor provision)
4. One-on-one assistance through outreach efforts.
5. Website information.
6. To the extent feasible, assign bilingual staff for community events, public hearings and Board of Directors meetings and on the customer service phone lines.

*As applicable:* Based on our demographic analysis (Factor 1) City of Nevada has determined that no language group(s) within its service area meets Safe Harbor criteria requiring written translated "vital documents" by language group(s).

City of Nevada will provide assistance and direction to LEP persons who request assistance.

#### **Staff LEP Training**

The following training will be provided to City of Nevada staff:

1. Information on City of Nevada Title VI Procedures and LEP responsibilities.
2. Description of language assistance services offered to the public.
3. Use of Language Identification Flashcards.
4. Documentation of language assistance requests.

#### **Monitoring and Updating the LEP Plan**

The LEP Plan is a component of City of Nevada's Title VI Plan requirement.

City of Nevada will update the LEP plan as required. At minimum, the plan will be reviewed and updated when it is clear that higher concentrations of LEP individuals are present in the City of Nevada service area. Updates include the following:

1. How the needs of LEP persons have been addressed.
2. Determine the current LEP population in the service area.
3. Determine as to whether the need for, and/or extent of, translation services has changed.
4. Determine whether local language assistance programs have been effective and sufficient to meet the needs.
