AGENDA ITEM
November 3rd, 2020

Subject: Nevada Municipal Airport Consulting Engineer

Department: Administration

As a National Plan of Integrated Airport Systems (NPIAS) funded airport, the City of Nevada Municipal Airport retains a Consulting Engineer for airport planning, construction and compliance work. Funded airports are required to periodically advertise for and select a consulting engineer from qualified engineering firms. On Friday, October 2nd, the Nevada Airport Board conducted a scoring and selection process for the applicants for Consulting Engineer for the Nevada Municipal Airport. This process was conducted as per the procedures set out by Section 5 of the Missouri Department of Transportation Guidance Handbook, State Block Grant Program.

Based on the qualifications presented and examined by the Board, the firm of H.W. Lochner of Lenexa, Kansas was determined to be the most qualified candidate. The Nevada Airport Board selected H.W. Lochner be retained as Consulting Engineer for the Nevada Municipal Airport. The firm should be retained for this purpose as per the guidelines set out in the MoDOT State Block Grant Program.

The attached resolution will approve the selection of the firm of H.W. Lochner of Lenexa, Kansas, as the Consultant for Airport Engineering, and for Airport Planning and Environmental Services.
