Subject: Airport Entitlement Funds Transfer

Department: Administration

The Nevada Airport is apportioned entitlement funds each year by the Missouri Department of Transportation for use in airport projects. According to Title 49 of the U.S. Transportation Code, these funds must be utilized within three years. The City of Nevada currently has $150,000 in available funds that must be utilized prior to September 30, 2019. We will not utilize these funds prior to that date. The attached Agreement for Transfer of Entitlements will allow MoDOT to make these funds available to another Missouri airport project, rather than allowing the entitlement to expire.
