Sec. 3-14. - Avoidance of off-premises consumption of alcohol.

In the event the State of Missouri, exercising its right to license which preempts local control, issues a catering or picnic special event license allowing the sale of alcoholic drinks for "consumption on-premises" at a particular function, occasion or event at a location other than the licensee's initially licensed location, it shall be the duty of the licensee to confine consumption to the particular location utilized by the licensee for the function, occasion or event. - 2) The licensee will post a sign notifying customers that Missouri law permits sales only for consumption on-premises. The sign may thank customers for their cooperation.
- 3) The licensee will require customers leaving the premises to discard unfinished alcoholic drinks before leaving the premises in a container provided by the licensee by providing employees at the premises exit(s).
