RE: EPG-164-18 City of Nevada, Missouri  
Small Community Engineering Assistance Program

Dear Mr. Marti:

The draft engineering contract for the above referenced wastewater treatment scope of services between the City of Nevada, Missouri and Allgeier, Martin & Associates, Inc. has been reviewed and determined to be eligible for program participation. The contract is for the preparation of an engineering report to evaluate and plan for addressing inflow and infiltration into the collection system. Please submit a copy of the contract when executed by both parties.

The following contract items are eligible for funding through this program:

Engineering Report Preparation	\$60,000
--------------------------------	----------

The eligible contract amount is \$60,000. Based upon this amount, the city is eligible for the maximum \$48,000 grant under the Small Community Engineering Assistance Program. Please note that if additional services are required, an addendum to the contract must be submitted for review and approval, however, the grant amount may not be increased.

Please note that any work or expenditures performed prior to grant award will not be eligible for grant reimbursement.

The following enclosed forms must be completed before we can move forward with the grant:

1. Resolution for Authorized Official: This resolution must be adopted by the city naming an individual (preferably an elected official) as the person authorized to sign the grant agreement, pay requests and to make decisions for this project. Please note, this person is the only person who can sign the aforementioned documents.
2. Business Entity Certification, Enrollment Documentation, and Affidavit of Work Authorization form: These documents state that the participant does not employ illegal immigrants. Please follow the directions on the form. We will need this form completed for both the city and the engineering firm.
