Subject: Airport Entitlement Funds Transfer

Department: Administration

The Nevada Airport is apportioned entitlement funds each year by the Missouri Department of Transportation for use in airport projects. The City of Nevada currently has \$150,000 in available funds that must be utilized prior to September 30th, 2016. We will not utilize these funds prior to that date. Dear Mr. Marti:

Re: Nevada Municipal Airport

Your airport is identified in the National Plan of Integrated Airport Systems (NPIAS) and plays a vital role in the national airspace system. As part of this role, your airport receives federal aviation funding known as non-primary entitlement funds (NPE).

The purpose of this letter is to let you know the available time to use the Airport's 2013 NPE is coming to an end. **Any fiscal year 2013 NPE that is not encumbered in a sub-grant agreement by September 30, 2016 will be recovered by the FAA.**

As of today, our office shows you have an unexpended balance of \$150,000 in 2013 funds. **If you will not be able to move forward with an eligible project before September 30, 2015, please sign and complete the enclosed "Agreement for Transfer of Entitlements" form and return to our office as soon as possible.** Completing and submitting this form will allow MoDOT to fund priority projects during this construction season that are ready to go and will ensure that all NPE is utilized at Missouri airports. It is critical to our aviation system that these funds are converted to priority projects on a timely basis. To accomplish this, we need your continued cooperation and support.

We are available to assist you in any way we can. Please feel free to contact your project manager, Darrell Goth, at (573) 526-7913 should you have any questions.

Sincerely,

Amy Ludwig
Administrator of Aviation
