

AGENDA ITEM
December 3, 2013

Subject: Walton Park Playground Equipment

Department: Parks and Recreation

Governor Nixon announced on November 12, 2013 that Vernon county residents had exceeded the challenge extended by Healthy Nevada to have 1000 Vernon County residents register for the Governor's 100-Mile Challenge. Therefore, Nevada residents have been awarded the Pulse Tempo Landscape Structure to be place in Walton Park. Since this is such a unique piece of equipment, the only bid received was from Athco, LLC in the amount of \$13,299. Cerner Corporation has donated \$10,000 toward the cost of the playground equipment and the City would pay the remaining \$3,299. This would be expensed to account 280-5-500-320.
