Subject: Amendment 1 to Development Agreement for Atlantic Estates

Department: Planning & Zoning

Rodney Beard is the Developer for Atlantic Estates. The development agreement and plat were approved by City Council in July 2014. Once approved Mr. Beard bid out the infrastructure including construction of the road and installation of water and sewer lines. It was at this time the developer discovered that the construction of the road could not begin until early next spring.

Mr. Beard would like to construct another home before the road is built and is requesting an amendment to the development agreement to allow him construction on Lot 1. Mr. Beard understands that he can obtain a building permit but a certificate of occupancy will not be issued for this lot until the sewer line has been constructed and accepted by the City.
