

AGENDA ITEM
December 2, 2014

Subject: Bid Acceptance

Department: Administration

The City of Nevada recently advertised for bids for construction of improvements to the city wastewater system. These bids were opened on October 30th. Rosetta Construction of Springfield, MO was found to have submitted the lowest and best bid for the project. This project will be funded in part by a State Revolving Fund (SRF) loan from the Missouri Department of Natural Resources. The attached ordinance will accept the bid from Rosetta Construction for the wastewater system construction project, contingent upon confirmation of SRF financing. Also attached are a copy of the bid tab and a recommendation letter from the consulting engineer.

BILL NO. 2014-079

ORDINANCE NO. 8021

A SPECIAL ORDINANCE OF THE CITY OF NEVADA, MISSOURI ACCEPTING THE BID FROM ROSETTA CONSTRUCTION OF SPRINGFIELD, MISSOURI FOR WASTE WATER SYSTEM IMPROVEMENTS CONSTRUCTION

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NEVADA, MISSOURI, THAT:

Section 1. This ordinance will approve and accept a bid from Rosetta Construction of Springfield, Missouri as the lowest and best bid for construction of waste water system improvements, contingent upon approval of the Missouri DNR and confirmation of available State Revolving Fund financing.

Section 2. The City Manager is hereby authorized and directed to negotiate on behalf of the City of Nevada a construction agreement with Rosetta Construction for said waste water system improvements, and to execute documents related to DNR funding of said agreement.

Section 3. This ordinance shall be in full force and effect upon passage and approval.

PASSED, APPROVED AND ADOPTED by the City Council of the City of Nevada, Missouri, this 16th day of December, 2014.

Re: Interceptor Sewer and Lift
Station Improvements
Nevada, Missouri

Dear Mr. Marti:

The bids submitted October 30, 2014 on the above referenced project have been reviewed and confirmed Rosetta Construction, LLC of Springfield, Missouri as the apparent low bidder. Rosetta Construction has indicated that they intend to enter into a contract with the City to build the project and they appear to be capable of obtaining all necessary bonds and insurance, and performing the work specified.

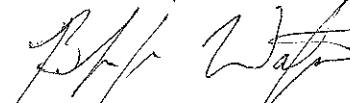

It is our recommendation that the City award the construction contract to Rosetta Construction, LLC in the amount of \$1,996,880.00 for the interceptor sewer and lift station improvements project. This total amount includes the Base Bid and each Add Alternate Bid which is specified in the contract documents.

Once a project award approval is received from MDNR, a Notice of Award document will be forwarded to the City for execution. Once the Notice of Award document is received back by our office from the City, we will submit Contract Documents to the Contractor for execution and schedule a project pre-construction conference.

Do not hesitate to call if you have any questions.

Very truly yours,

ALLGEIER, MARTIN & ASSOCIATES, INC.

Blake Watson, E.I.
