Subject: Uninterruptible Power Supply (*UPS*) Replacement

Department: IT

The battery backup system for the City's network equipment failed causing a citywide disruption of services. An emergency purchase was authorized due to the severity of the outage and to resume normal operations.

Three vendors were contacted for quotes:

- | | |
|------------------|-----------|
| 1. Provantage | \$7569.00 |
| 2. CDWG | \$7701.98 |
| 3. Govconnection | \$7712.84 |

Provantage had five (5) units in their Illinois warehouse and could ship same day. Unit was ordered from Provantage with an additional three (3) year warranty.
