Subject: Street Light Addition for Industrial Park

Department: Administration

Because the City is responsible for paying for street lights, KCP&L requires that all street light additions be authorized through resolution of the Council. There has been a request for new street lights to be installed in the 3100-3400 block of Industrial Parkway. This addition will increase visibility and increase public safety in this Industrial district.

WHEREAS, the addition of street lights must be done by resolution in order to satisfy KCP&L's procedures; and

WHEREAS, the addition of six (6) street lights in the 3100 through 3400 block of Industrial parkway will be beneficial for the safety for the businesses within this neighborhood and is therefore advisable by the City of Nevada.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Nevada, Missouri, approves the installation of these street lights at the location indicated herein.
