Subject: All Terrain Utility Vehicle – Twin Lakes Maintenance
RFB# 2018-26

Department: Parks & Recreation

The City recently requested bids for the provision of one (1) all terrain Utility Vehicle for the Twin Lakes Maintenance facility. This utility vehicle will replace the 2000 Cushman Turf Truckster as a multi-use vehicle. The current Cushman has been unusable for some time, with serious brake, transmission and steering concerns. Cost of repairs and/or a replacement of Cushman is prohibitive, so the utility vehicle is a viable option.

Bids were opened on Thursday, October 18, 2018 at 10:00 a.m., with the following results:

Bidder	Unit	Bid
Legacy Farm & Lawn, Nevada MO	John Deere XUV835M	\$18,113.00
Nevada Small Engine, Nevada MO	Kawasaki	No Bid
Heartland Tractor Co., Nevada MO	Kubota XG850	\$12,939.34
Van Wall Equipment, Olathe KS	John Deere XUV835E	17,280.00

Staff is requesting approval of the lowest and best bid, in the amount of \$12,939.34 with Heartland Tractor Co., of Nevada MO for the provision of a Kubota XG850 Utility Vehicle for the Twin Lakes Maintenance facility.

Funding for this project is available in 280-5-5700-327 (\$26,000).
