

AGENDA ITEM
November 6, 2018

Subject: Replacement Cart Shed – Twin Lakes Maintenance
RFB# 2018-27

Department: Parks & Recreation

The City recently requested bids for a replacement structure (carport) for the current golf cart storage building at the Frank E. Peters Municipal Golf Course. The bid specified the provision and erection of the replacement structure.

The current structure is of wooden construction, with failing support posts and roof, under which we park our thirty (30) leased golf carts. By replacing the current structure with an all steel carport, we will see added longevity as well as being able to address the safety concerns of the current structure.

Bids were opened on Thursday, October 18, 2018 at 10:05 a.m., with the following results:

Bidder	Unit	Bid
Backyard Portable Buildings, Eldorado Springs MO	Eagle Carport	\$9,100.00

Staff contacted potential suppliers regarding the bid, offering bid packets. The only bid received was from Backyard Portable Buildings, of Eldorado Springs MO.

Staff is requesting approval of the only bid received, in the amount of \$9,100.00 with Backyard Portable Buildings LLC, of Eldorado Springs MO for the provision and installation of an Eagle Carport at Frank E. Peters Municipal Golf Course.

Funding for this project is available in 280-5-5750-327 (\$13,000).
