**RE: CITY CAPITAL PURCHASE  
WWTP WATER & SEWER FIELD OFFICE  
REPLACEMENT OF HVAC ROOF TOP UNIT**

During the 2019 budget process funds were approved to replace the aging HVAC unit at the Water & Sewer Field Office located at the WWTP Facility. City and Alliance Staff worked together to obtain quotes for the replacement unit. Please note that this unit failed in operation in early March and is not functioning and is beyond repair due to its age.

Quotations as follows:

|                                |   |            |
|--------------------------------|---|------------|
| Ernsbarger Heating and Cooling | - | \$5,637.00 |
| AST Heating and Cooling        | - | \$6,554.00 |
| CDL Electric                   | - | \$8,210.16 |

At this time I am requesting Council approval to move forward with the replacement of the Field Office HVAC Roof Top unit and award the bid to the low bidder Ernsbarger Heating and Cooling. Funds for the replacement are located in account # 500-5-4225-232 with a present balance of \$6,000.00. Signed agreement for construction services and associated paperwork are attached for execution once Council approval is obtained. If you should have any questions regarding the replacement of the HVAC unit please contact me at any time.
