Subject: Vandalism Replacement, Tower Canopy

Department: Parks & Recreation

The Parks and Recreation Department's Walton Aquatic Center suffered vandalism damage to the shade canopy on the waterslide tower on August 2nd. Vandals spray painted graffiti on the underside of the canopy. The graffiti cannot be removed, therefore the canopy must be replaced.

To that end, staff sent requests to complete the work, and the results were:

Vendor	Total Bid
Waterloo Tent, Waterloo IA	\$2,032.67
Shade Systems, Ocala FL	No response to request
Adventure Playgrounds, Houston TX	No response to request

Staff is requesting approval of the sole respondent's quote, and authorization to proceed immediately with the replacement.
