

AGENDA ITEM

June 20, 2023

Subject: AMI Water Meter Interface with Utility Billing

Department: Administration

The Sensus Advance Metering Infrastructure (AMI) base station installation on the Center Tower is scheduled for June 27, 2023. The base station will communicate with all the remote water meters and send their water consumption to our utility software.

In preparation for the new automated meter reading system, an interface is needed to communicate with our Tyler Technologies utility billing software. The software connection is proprietary with Tyler Technologies being the sole provider.

Manager Notes:

- Once the base station is operational and the interface is working, we will be able to start the installation of the new water meters.
- Interface cost: \$15,990 (maintenance fee included). There is an Annual reoccurring Tyler Technologies Maintenance Fee of \$2,800.

RESOLUTION NO. 1721

A RESOLUTION OF THE CITY OF NEVADA, MISSOURI, ACCEPTING THE BID AND AUTHORIZING PAYMENT TO TYLER TECHNOLOGIES, PLANO, TEXAS, FOR A UTILITY METER-READER INTERFACE

WHEREAS, to complete the AMI Project, approved by Ordinance 8517, it is necessary to purchase Sensus hardware and install a fixed base antenna on the center water tower, purchase Sensus analytic software to collect meter consumptions and manage utilities, and utilize Tyler Technologies for Integration Services; and

WHEREAS, a bid was received in the amount of \$15,990.00 from Tyler Technologies, herein attached as Exhibit "A", for an interface between the Sensus Analytic software and the City's Tyler Tech Utility Billing software.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Nevada, Missouri, accepts the bid from Tyler Technologies, Plano, Texas in the amount not-to-exceed \$17,000.00 and the City Manager is hereby directed to execute all documents related to said bid.

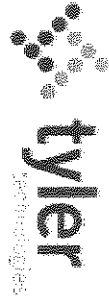

PASSED, APPROVED AND ADOPTED, by the City Council of the City of Nevada, Missouri on this 20th day of June 2023.
